Welcome to all new members since our last newsletter and a special thanks to those who have expressed interest in helping out behind the bar.

However, we are still struggling with staffing shortages and as such we have been unable to re-open as planned on Friday afternoons, so if you know of any others who may be interested, even if it can only be 1 shift a month any help would be greatly appreciated. It really is a great way to get to know more members and keep up to date with what's going on. **No experience necessary as training will be provided.** Bar staff get 3 free drinks per shift to sweeten the deal. Each shift is usually only 3-4 hrs in length (split shifts at weekends Saturdays 4pm-7.30pm, 7.30-11pm and Sundays 2pm-4.30pm and 4.30 – 7pm). If you can help, please contact Malcolm on the number/e-mail above or pop in.

Polite Reminder to all members

The Club is well insulated and provides good noise protection however, we'd like to remind all members when leaving the premises to keep noise levels to a minimum to respect our neighbours.

Membership

The deadline to pay membership has now passed. We assume those that have not renewed to date no longer wish to be members. To comply with GDPR regulations once the 6-month timeframe has passed your personal details will be removed from our records. If it's just been an oversight, then please pop down and payment can be taken by the bar staff by cash or card.

Remember 3rd Thursday of the month.

Open to all, not just Members so if you know of anyone you think would be interested in getting involved or just listen to some good music bring them along.

Meat Raffle

Last Saturday of the month, tickets available behind the bar, just ask the staff member next time you pop in for drink.

Upcoming Events

Rugby World Cup – Starting Friday 8th September

We'll be showing all the matches being played during our opening times. First England match being Saturday 9th September from 8pm. Pop in and cheer your team along while taking advantage of the reasonably priced drinks on offer. Full match schedule attached.

Women's World Cup

We will hopefully be showing all the Women's World Cup matches if they're successful in the group games to make it to the next stages!

They played Denmark and won, the next game though is on a Tuesday 1st August - so if they win this then it's into the next stages which we hope will be in the evenings and weekends - so we can show them at the club.

Gin Night – Fri 8th September from 8pm

Come along and sample from our large variety of Gins and complementing mixers & garnishes. Hope to see lots of you there.

Live Music from Just Keith – Saturday 23rd September from 8pm

One of our favorites, Just Keith will be returning for another night of great live music. Last time he played he attracted quite a crowd so get down early to get a table and mark out your space on the dance floor!
